

DR. RICHARD STEEVENS SCHOLARSHIP

For sponsored SpR/SR Training Overseas 2019

Call for Applications

The HSE is now inviting applications from SpRs/SRs for funding under the Dr. Richard Steevens' Scholarship 2019 for sponsored **clinical training overseas**, where such training is either unavailable or limited in Ireland, commencing July 2019.

While applications from all specialty areas will be considered, this year the HSE is particularly interested in receiving applications from trainees, in the following specialties

- Anaesthesia
- Gastroenterology
 - Cardiology
 - Pathology
 - Psychiatry
 - Surgery
- Trauma Medicine

The details of which are available in the “applicant’s Guide”

Please see the “Applicant’s Guide” for more information, available from Training Bodies. Applications to the relevant Training Body by November 23rd 2018.
