European Expert-PE Conference 2024

Innovations in severe PE management

Friday 18th and Saturday 19th of October 2024

Mainz – Germany

Some topics of the upcoming conference:

- Diagnosis and risk stratification of severe PE
- Approach to the pulmonary embolism patient in shock
- How to build an expert-PE team
- What comes after initial management of severe PE

For the preliminary program, visit our website: <https://www.expert-pe.org/>

Dear colleagues,

It gives great pleasure to invite you to the EXPERT-PE conference in Mainz, Germany. The organizing committee has set the date at 18-19 October 2024. EXPERT-PE 2024 is dedicated to increase knowledge on the multidisciplinary initial and chronic management of acute severe pulmonary embolism.

The scientific program for the upcoming EXPERT-PE conference covers many aspects of the disease, with an overall focus on a multidisciplinary approach, ranging from diagnosis to interventional, medical and multimodal therapy. The program will support delegates in introducing and improving the multidisciplinary management of the PE patient with haemodynamic or respiratory compromise in their hospitals. We welcome abstracts, covering both science as well as clinical experience. Our goal is to offer a platform for sharing and discussing the latest scientific and clinical developments in severe pulmonary embolism, in an informative and dynamic conference. We encourage young colleagues to join us in Mainz and present their ideas, possibly by sending abstracts.

The conference is designed for practicing clinicians, who regularly care for patients with acute pulmonary embolism, and we thus welcome (interventional) cardiologists, pulmonologists, intensivists, vascular medicine specialists, haematologists, emergency physicians, angiologists, and (interventional) radiologists.

We look forward to welcoming you to Mainz.

Professor Stavros Konstantinides
Chair EXPERT-PE conference 2024
Center for Thrombosis and Hemostasis (CTH)
Johannes Gutenberg University Mainz Germany

Professor Erik Klok
Co-Chair EXPERT-PE conference 2024
