Signature of Trainer: (Mandatory prior to submission)	
Signature of Trainee:	SpR year:
Date:	

For Office use only:
Date of receipt of application form: _____ Date of payment: _____

Notes:

Prior to submitting a reimbursement form, applicants are advised to read “Specialist Training Fund for Higher Specialist Trainees – Guidance Document for Trainees, Training Body Personnel and Employers – July 2021/22

The Specialist Training Fund is available to:

- SpRs/SRs/ST3-8 and 3rd/4th year GP trainees who are actively participating in a higher specialist training programme and who hold an NCHD Contract 2010
- SpRs/SRs/ST3-8 and 3rd/4th year GP trainees who are on the HSE-supported Dr. Richard Steevens’ Scholarship and HSE-HRB supported National SpR/SR Academic Fellowship Programme

Applicants can apply for funding in respect of financial liabilities incurred between the dates Monday, 12th July 2021 to Monday 11th July 2022. Applications received in relation to expenses incurred prior to 12th July 2021 will not be considered.

Please note this fund is not available during out of programme/research years

The Specialist Training Fund can be used:

- to support their participation in relevant educational and training events
- to support the purchase of specialist medical equipment specifically required as part of their HST training programme
- textbooks

The Specialist Training Fund cannot be used:

- to further subsidise trainees in educational activities for which the HSE already has separate arrangements in place e.g. contribution toward defined examinations and clinical courses – see the NCHD Clinical Courses Refund Scheme document (www.hse.ie/doctors).
- to pay for or subsidise educational activities which are funded via the Agreements in place between the HSE and the individual training bodies regarding the provision of specialist medical training;
- for the purchase of on-line resources, software, lap tops, palm pilots or any other hardware and
- for programmes/training modules provided directly by local employers, for example Infection Control training courses

Expense claims made for travel and subsistence will be considered in line with HSE Guidelines and will be reimbursed at public sector rates. Claims for mileage expenses will only be approved where no suitable public transport (e.g. train or bus) is available or where public transport is available only at equal or greater expense.

Audit

A percentage of the claims made to the specialist training fund will be audited annually by the Forum of Postgraduate Training Bodies.

Return the completed form to your postgraduate medical training body.
