

Faculty of Radiologists - Travel Bursary & Publication Award

1: Faculty of Radiologists Travel Bursary

It has been proposed by the Dean and Scientific Committee that a limited number of bursaries of up to €500 can be made available for Radiology and Radiation Oncology SpRs presenting research or audit at international meetings. This can include oral presentation of posters. Presentations relevant to Radiology/Radiation Oncology quality improvement will also be considered.

There will be a maximum of 10 bursaries available each year to reimburse trainees for travel, accommodation and registration for any meeting attended during the calendar year 2020. These claims can be made retrospectively. If there are more than 10 applications, the distribution of the awards will be decided by the Scientific Committee based on the merit of the topic. Applications may be made up to 29th January 2021. Applicants must be able to supply receipts for the expenses which are to be reimbursed.

2. Faculty of Radiologists Publication Awards

It has been proposed by the Dean and Scientific Committee that an award of up to €1000 will be made to Radiology and Radiation Oncology SpRs who have published papers in a peer-reviewed journal as first author. Publications relevant to radiology quality improvement will also be considered. There will be a maximum of five awards available each year for any article published during the calendar year 2020. The distribution of the awards will be decided by the Scientific Committee based on the merit of the paper. Applicants may also apply for the Travel Bursary within the same calendar year if presentation and publication have occurred within 12 months.

Applications may be made up to 29th January 2021. Applicants must be on the current training scheme or, for publications, undertaken the research while part of the scheme (this may require signing off by the supervising consultant).

RCSI FACULTY OF
RADIOLOGISTS

Application Form - Travel Bursary 2020

Name of Applicant:	
Title of Presentation/Manuscript:	
Title and Venue of Conference/Journal Citation:	
Hospital Attachment and date when research undertaken:	
Co-Authors:	
Estimated Expenses (or expenses already incurred):	
Have you attached your supporting documentation or receipts?	

I confirm that I have not received other bursaries or grants covering the above claim and I have provided the appropriate receipts of travel and course expenses.

Signature of Applicant
